A Christian Senior Living Community

September 15, 2023

Dear Sunnyside Residents and Staff,

We wanted to take an opportunity to again share an update on the Leadership change at Sunnyside and the search for a new Executive Director. As we shared in our last update, the placement process for an interim executive director, being led by MHS, is well underway and progressing nicely. Candidates will be reviewed in the coming weeks by the Board of Directors and we expect to have that position filled in a short time.

While this process continues and as our Executive Director position remains open, the Board of Directors has asked Tim Hurley, Director of Finance/CFO, to step in and be responsible for day-to-day operations. Tim's experience and understanding of the position, as well as the support of the existing senior staff, will continue to provide a stable environment for our community and its services.

We also wanted to take a moment and thank you for the outpouring of support we have received in the form of your letters, emails and notes expressing your desire to see God continue to work in our community. Your continued prayers as we seek God's will in this community are appreciated.

Thank you for being an integral part of our community. Let us embrace this change with hope and unity, confident that Sunnyside's future will be prayerfully considered and passionately pursued.

With warm regards,

Curtis G. Ross, II
Board Chair, Sunnyside Village
